**A Note from Rick:** Markets were slightly weaker at TLA on Tuesday. It was our October Special Feeder sale and we had several nice groups of Holstein heifers to offer. Prices were a little softer than the previous couple of months. The calf market was steady, along with Hay. Butcher cows fell off slightly again this week. We're in that time of year where this market gets so much pressure from the supply side. I don't look for this to change in the near future. Draft Week is already here and we are geared up for a tremendous sale. Every year at this time, we are amazed at how our employees step up to the challenge. So many faces show up happy to be here and ready to work. From the barn, to the restaurant and concession stand, to the office, to the auction block, we have awesome people who have a smile on their face and excitement for the week. It just doesn't get any better than that. Let's have a sale! See you at TLA!
