A Note from Rick: Markets remain strong this week at TLA. We had a big run of hay Tuesday morning and overall I'd say the market was slightly stronger. It says a lot to me when the market gets tested with nearly 60 loads (all different kinds of hay) and prices hold firm, or even a gain a little. Springers and fresh cows remain steady and the calf market was stronger. We had a group of Holstein replacement heifers that sold very well and we're expecting this market to be tested again at our February Special Feeder Sale. Butcher cows were \$3 to \$5 softer, but this was expected with the last two weeks being very high. Fats and bulls were steady and all-in-all the slaughter market remains very strong. We held the first annual Trotting Classic Sale on Saturday. We drew a big crowd and we had a lot of fancy trotters that sold very well. We are very pleased with the results of this first sale and are looking forward to this sale growing in the future. Have a great week and we hope to see you soon at TLA!
