A Note from Rick: Markets were stronger this week at TLA; throughout the day we saw a slight increase in prices. Thursday, on the other hand, we saw a pretty big jump in Springer prices compared to a month ago. Dairy cattle prices have been slowly & steadily getting stronger over the last several months. Prices on Thursday were very close to \$300/head higher. This wasn't a big surprise & I look for this trend to continue as the limited supply of dairy cattle available on the open market will continue. We had a great crowd at the stallion presentation & horse pull on Saturday. It turned out to be a big success as we raised money for three local families in need. Have a great week & enjoy the mild weather. See you soon at TLA!
