**A Note from Rick:** Markets were steady to stronger this week at TLA compared to two weeks ago. There were over 50 loads of hay and straw to offer at the Tuesday Hay Sale and prices were stronger. We also had a big run of springers and fresh cows Tuesday morning. Prices were steady. The feeder sale didn't really show any changes in the market compared to the last couple months for Holstein open heifers and short bred. Fat cattle and butcher cows continue to be very strong. We had a great Draft Horse Sale last week. Prices were slightly higher compared to last Spring. We had several highlights throughout the week. All in all, everything went very well all week and hats off to all the people it took to make that happen. Thank you to all of the consignors that gave us the opportunity to market their horses. The time, money and attention that these breeders put into their programs is impressive and it continues to improve the quality of horses in the Draft Horse Industry. We are proud to offer one of the strongest markets in the industry and are thankful to everyone that supports and contributes to it.
