A Note from Rick: Markets were mixed this week at TLA. On Tuesday, calf prices were definitely stronger. While the calf numbers were down, the prices were up; I look for this to continue as we head into Spring. Feeder cattle prices remain very strong. Fat cattle were very strong on Tuesday as well; we had a couple groups of Holsteins and a couple groups of black steers that sold very well. Thursday's Springer Sale was up and down. We had a couple groups of good fresh heifers again this month, although they were not quite as strong as last month's group. This month's offering of Springers was very good. Prices were stronger than last month and I thought overall, we had a very good sale. I can't believe it's Draft Sale week already; time seems to fly by! We are looking forward to a great week and we hope to see you all at TLA!
