A Note from Rick: We might have found the top of the beef market. Prices were slightly lower this week for the first time in quite a while. These markets have been on a slow and steady rise since early Spring and in some cases have reached all time highs. It had to top out at some point and it appears to have done that. Prices are still very good and the lag in the market that seems to hit most every summer has set in. Calf prices have leveled off as well and again there is a historic lag in the market during summer months. The Seymour Draft Horse Sale last Thursday, Friday and Saturday was a dandy. There were several highlights throughout the sale, but the headline would definitely read "Percheron Mare tops the sale at \$100,000". We are very proud to say that TLA has now sold a Belgian, a Clydesdale and a Percheron for \$100,000. Thank you to all of the consignors and buyers for giving TLA the opportunity to earn your business. See you at TLA. It's where the action is!
