A Note from Rick: Markets were steady for the most part on Tuesday at TLA. The calf market was a little softer this week compared to last. All of the other markets continue to be very strong. We had a few groups of Holstein heifers in our feeder sale that brought record prices here at TLA. This didn't come as a surprise with the way that Springer prices have been trending with record high prices there as well. We held our TLA Classic Draft Horse Show last weekend and it was an awesome show. The weather couldn't have been better and we had a great turnout. We would like to thank all of the sponsors, exhibitors, spectators and employees for coming together and making this show possible. Have a great week and we hope to see you at TLA!
