**A Note from Rick:** Markets were steady to stronger again this week at TLA. We had our special feeder sale for the month of July on Tuesday and prices continue to climb higher. This is carrying over into the Holstein heifer market. There are still alot of Holstein heifers going to the feedlot because that is where they have the most value. This has been going on for several years now and you would think one of these days that is going to show up in the Dairy cattle market. So far there seems to be enough supply of replacement heifers, but it's definitely getting shorter and shorter. Butcher cow prices were stronger again this week, along with fat cattle. Springers and fresh cows were steady, along with calves. It is a busy place around TLA right now with all of the deadlines. We are working on catalogs for the Speed Sale, The Morgan Classic, the J&S Labor Day Pony Auction, The Friesian Fall Classic and the Fall Draft Horse Sale. We are gearing up for an exciting Fall and it will be here before we know it. See you at TLA!
