**A note from Rick:** Markets were weaker at TLA this week. The calf market was down again with the overall average being off nearly \$.25. Feeders were softer as well. We had a nice run of Holstein replacement heifers that brought from \$1.00 to \$1.30/lb. I was a bit surprised that they didn't sell better than that. Evidently, there is still some uncertainty in the dairy cattle market for future prices. Because given current prices of springers and fresh cows, these feeders are under the money in my opinion. Butcher cows were \$2-\$3 weaker with finished steers holding pretty steady. It doesn't seem possible that the first of August is next week. Summer has flown by and Fall will be here before we know it. It will be back to school time and the beginning of another school year. The office at TLA is bustling with consignments rolling in for The Morgan Classic, The Northern Indiana Yearling Speed Sale, The Fall Draft Horse Auction and The J&S Labor Day Pony Auction. Friesian Consignments are being sent out this week and plans are being made for the Miller Yoder Christmas Sale and the Dutch Cross Christmas Classic. TLA is definitely looking forward to a busy Fall horse auction season. See you at TLA!
