A Note from Rick: The dog days of summer are here. Wow has it been hot and humid! Summer storms have brought some timely rain though and in an important time in the growing season. The Dairy market at TLA was stronger with Springers and Dairy Cows selling very well. Calves and butcher cows were a little softer. Most loads of hay are selling for \$150-\$200/ton. Our special feeder sale is August 20th and we should get a much better test of the feeder market then. Fall is an exciting time at TLA and it is right around the corner. Hard to believe kids are heading back to school and summer is coming to an end. The office is buzzing right now with all of the consignments coming in. Right now, we are working on The Morgan Classic, The Labor Day J&S Pony Auction, Northern Indiana Yearling Speed Sale, The Friesian Fall Classic, The Fall Draft and The Breeder's Edition. Catalogs are coming together nicely and it looks to be like we are going to have some really great lineups. The Arena expansion project is well underway and meeting our deadlines. We have the Indiana Belgian Breeder's Picnic this weekend at home and lots of horse shows coming up. TLA is definitely where the action is and we are having a blast!
