A note from Rick: Markets were steady this week at TLA. The calf market was very strong again this week and that was the one thing that stuck out to me on Tuesday. We have definitely been blessed with a couple weeks of beautiful weather. There are some spots in the general area that are definitely on the dry side, but a couple days of pretty widespread rain was welcomed by all for sure. Overall, the crops look very good throughout the area. We are getting things cleaned up and ready to welcome the Haflinger and Draft Pony Show on July 22nd and 23rd. There are 11 hitches signed up to show on Friday afternoon and Saturday. We're also preparing for the TLA Classic Draft Horse Show on Aug 4th through the 6th. We currently have 18 of the Top Belgian and Percheron hitches in the country registered and are very excited to have them in Topeka. See you at TLA!
