A Note from Rick: Markets were mostly steady on Tuesday at TLA. The calf market was a little weaker for the first time in a while, but I look for that to bounce right back and continue higher. Feeder cattle prices continue to strengthen and again, I look for this to continue into the Fall. Butcher cows and fat cattle are holding steady, if not a little higher. It sure has been a nice stretch of weather following the hot spell we got through! The Fall harvest is rapidly approaching and crops sure look like they will be above average in our area. We are gearing up and looking forward to getting our Fall sale schedule started next week with the J&S Labor Day Pony Auction on Monday, September 4th. Hope to see you soon at TLA!
