A Note from Rick: Markets were very active again this week at TLA. We started the day out with a few very nice groups of springing heifers and fresh cows. The top end of these cattle brought from \$2100-\$2325. The calf market was steady as well with Holstein bull calves bringing \$130-\$165 on the majority of the calves weighing 90 lbs and up. The Angus Cross calves brought \$180-\$230. Holstein heifer calves ranged from \$25-\$95. Mixed fat cattle brought from \$1.36 to \$1.48, while the better Holsteins were in the high teens and low 20's. Slaughter cows continue to sell very well with the better end of the cows in the 80's and low 90's. The Labor Day Pony Sale on Monday was a success. We had a great crowd and a fun time was had by all. We are looking forward to the Yearling Speed Sale this weekend and the Morgan Classic on the 16th and 17th. TLA is where the action is this Fall. We hope you make plans to join us!
