A note from Rick: Markets on Tuesday were steady for the most part despite the extremely hot weather. The heat definitely took a toll on livestock last week. It seems a little early in the summer for this weather, but I guess it comes every year and we have always figured out how to deal with it. We didn't have a big run of cattle on Tuesday and with that, there weren't any significant changes in the market. Friday and Saturday, we held the 7th annual Seymour Draft Horse Sale. We had a big crowd and a barn full of high quality Percherons and Belgians. The market was good on Friday for Stallions and Geldings. Saturday's Mare Sale was strong as well with several highlights both days. Thank you to all of the consignors and buyers for giving us the opportunity to market your horses. We have our bi-monthly Driving Horse Auction coming up on Saturday, the 25th and following that we will have a summer break in the horse arena. Planning is already under way for our Fall Sales with a lot of consignment deadlines coming up August 1st. We will also be hosting the TLA Classic Six Horse Hitch Show at TLA August 4-6. We are wanting to truly make it a fantastic show and are looking for Wagon Sponsors and Class Sponsorships. These hitches are coming from across the country and Canada to highlight some of the absolute best athletes. We are looking for the support of businesses and individuals to help sponsor this event and make it all that it can be. Please call the office if you would like to get involved. Hope to see you soon at TLA!
