HAY & STRAW

Hay	19 loads	\$60-\$235/ton
Straw		No test

A note from Rick: Markets were steady to stronger at TLA this week. We had our June Special Feeder Sale and despite the warm temperatures, we had several nice groups of Holstein replacement heifers and they sold very well. This doesn't come as a surprise to me with the steady demand for springers and fresh cows. The younger feeders haven't had the jump in price that springers have over the last several months. A lot of this I assume has to do with higher feed costs and uncertainty on whether these higher prices will stay. I look for the younger feeders to continue to be in greater demand. Milk prices are very strong and there isn't a big supply of replacements out there on the open market. We had a Driving Horse Auction on Saturday and the market was good. We had a few highlights, but mainly just a lot of good, honest buggy horses that sold well. There is a lot of talk out there about this market getting a little softer and we may have seen a little of that Saturday, but all in all I thought we had a good sale. We had to say goodbye to Lavern Bontrager as our Driving Horse Committee Member as he has chosen to step down. We appreciate all the hard work that he has done for TLA over the last 6 years that we have been here. He will surely be missed, but know that he is still right around the corner and won't be a stranger. Several catalog deadlines are approaching and the J&S Pony Call-in is coming up July 11. Stay cool and we hope to see you soon at TLA!
