A Note From Rick: Markets were stronger at TLA this week. Butcher cows bounced back from a slight drop last week & were higher than two weeks ago. The calf market continued its steady climb & both Holsteins & Crossbreds were higher; springers & fresh cows were steady to stronger as well. The hay market continued to hold stronger prices compared to the last several months. I look for this to continue as the Fall & Winter season approaches, & that normally creates a more active market. The Friesian Fall Classic was a success in the horse arena on Friday & Saturday. We had a big crowd & strong prices throughout the sale. Hats off to the committee for another job well done! Hope to see you soon at TLA!!
