A Note From Rick: A bit of a slow week at TLA this week on Tuesday. With the beautiful spring weather we've been having, it's been a wonderful opportunity for everyone to finish up spring planting & start making first cutting hay & forage. Prices remained very strong on butcher cows, calves & dairy cattle. The hay market has seen a short supply coming down the stretch that has pushed prices higher. This will be resolved quickly with new hay coming in very soon. We had a great turnout of over 200 riders on Friday evening for the benefit trail ride. Saturday's Riding Horse Sale went well also with several highlights. Have a great week & we will see you soon at TLA!!
