A Note From Rick: Mixed markets at TLA this week. On Tuesday, the calf market along with the butcher cow market were both slightly higher. The rest of the markets on Tuesday were steady. Thursday's Special Springer Sale was a little softer compared to the last couple of months. The top half of the Springers brought \$3500 to \$3900, which is still very strong in my opinion. Milk prices have been slipping downward recently, but with beef prices at all-time highs, along with calf prices, I don't see the dairy cattle market changing much moving forward. Have a great week, and we hope to see you soon at TLA!
