#135—"PCMF Jewel"

Mare

Foaled: May 5, 2019. 196691 Personal horse for two years Willing, may look at the odd thing along the road. Most women can drive her. Calm with enough snap for the boys. Only reason for selling is we do not drive horses anymore. I would sell as sound, but when she was two, she got an injury in the back of her left hind ankle. Vet checked as sound as a four year old, but may have a little bit of arthritis when older. She may watch big semis a little bit, but my wife took her on 20 mile trips on state highways. She does interfere a little bit in the back when not shod correctly. Tough & ready for miles. Short bred to Beauty's Black Smoke. Agent: Select Equine.
