A Note From Rick: Markets were steady to slightly stronger this week at TLA. It was nice to see the butcher cow prices along with calf prices bounce back a little following several weeks of lower prices. It wasn't a big increase, but across the board it was a little better. Hopefully, things will continue to stabilize moving forward & some confidence will get put back into these markets. Dairy cattle prices have seemed to remain steady & we'll get a good test next week at the September Springer Sale. Enjoy the beautiful weather & come see us soon at TLA!!
