**A Note From Rick:** Markets were lower this week at TLA. Nothing major, but in all markets, prices were a little softer compared to last week. We also had our Special Feeder Sale on Tuesday & prices were steady to weaker compared to last month, but definitely weaker compared to May & June. Seems like things are unsettled in the beef markets, which will affect the feeders & baby calves. Prices have fallen off a bit & there is not a lot of confidence in the markets. Have a great week & we hope to see you soon at TLA!
