A Note from Rick: Markets were very active at TLA this week. Springers & fresh cows were steady on Tuesday with a light test in the market. The calf market was not as strong this week compared to last. Calves were approximately \$0.50/lb lower. The butcher cow market was considerably stronger compared to last week; cows were \$8 to \$10 higher. We had a big run of Holstein open heifers ranging from 200lbs to 900lbs with several big consignments of various sizes. Prices were a little stronger than a month ago; this didn't come as a surprise, as this is a direct extension of the springer & fresh cow market that has brought record high prices to the dairy cattle market over the last several months. We held the annual Friesian Fall Classic on Friday & Saturday & prices were very strong. Hats off to the committee for putting together another successful sale filled with highlights. Thanks to the consignors for the great consignments & everyone that came out & supported this sale. Have a great week & we'll see you soon at TLA!!
