A Note From Rick: There were slight changes in both directions for markets on Tuesday at TLA. We sold a herd of 60 cows to start the day off & prices ranged from \$1800 to \$3600 on the milking cows; dry cows brought \$2600 to \$3000. The calf market was a little stronger this week as numbers were down compared to a week ago. Butcher cows were slightly lower with fat cattle staying steady. Hay prices have picked up slightly over the last couple of weeks, which is not a surprise as we come into the Fall. We've got an exciting month of October ahead at TLA! Hope to see you here!! Have a great week!!
