A Note From Rick: Markets were stronger this week at TLA. On Tuesday, the markets were all steady to stronger. The calf market was the one that changed the most, with prices being \$150-\$250 higher than the previous couple of weeks. Thursday, we had the August Special Springer Sale. Prices were a little stronger & more consistent throughout the sale compared to the July sale. All these prices bouncing back a little doesn't surprise me. We've had much milder weather & that takes some pressure off of everything. With prices being as high as they've been in 2026, it doesn't take much to shake up the market a bit. Have a great week & we hope to see you soon at TLA!!
