A Note from Rick: Markets were steady to slightly stronger at TLA this week. Well it's December and the higher volumes of cattle coming to market have definitely slowed down. I'm not sure where the time goes. With lower numbers, we're seeing a slight boost in prices which is common. It will be interesting to see if prices continue to climb or level off over the next few weeks. I look for the cattle numbers to continue to be lower. We are looking forward to the Dutch Cross Classic coming up on the 13th and 14th. They've got an exciting lineup of horses to offer and we are planning on closing out 2024 with a bang in the horse arena. Hope to see you soon at TLA!
