A Note From Rick: Markets were very active this week at TLA. Spring is in the air & we're seeing more cattle in our markets. We had our Special Feeder Sale for April last week & we had a nice variety of steers & Holstein heifers to offer. Prices were strong from top to bottom, which was no surprise. The calf market remains very strong as well, along with butcher cows, fat cattle & dairy cattle. Markets on Tuesday continued at a fast pace & showed no signs of slowing down anytime soon. The weather has turned the corner & things are looking like Spring is here. Crop farming is in full swing & we hope everyone has a safe & effective planting season. See you soon at TLA!!
