A Note From Rick: It was a busy week at TLA. Tuesday, we had a wide range of feeders to offer that all sold very well. This didn't come as any surprise as we've seen higher and higher prices all summer. Nevertheless, we had record highs in multiple groups of Holstein replacement heifers. With record high beef prices and a limited supply of Holstein heifers on the market, the demand is very strong. Beef cattle numbers are way down as well and the combination of low cattle numbers and cheap feed have created the perfect storm for record high prices across the country. We held the Morgan Classic on Friday and Saturday in the horse arena. The horse market was steady overall with several highlights throughout the sale. Have a great week and we hope to see you soon at TLA!!
