We are a full time training facility that specializes in colt starting, We believe a horse that is started right will perform better throughout his life. We started training at the tender age of 12 years old training ponies, then went to riding horses from 16 to 20 when an injury took us to Standardbreds, Now 23 years later we start anything from Racehorses to crossbred buggy horses, and the occasional riding horse.

**Let us start your next top performer! Or call with question concerning a problem your horses may have!**

A family farm specializing in Purebred Friesians that are trained to ride, drive and work in the field. These mares work for a living -- mowing, tedding, raking, and baling 30 acres of alfalfa hay 4 times a year (5 if we're lucky). We also use these sensible beauties for hauling manure, wagon rides, trail rides, and other fun activities. Visitors are always welcome, so stop by if you're interested in a team or some young stock.
