Committee!!!

Link to Rules and Regulations:

www.saddlebred.com/registry/half-saddlebreds

The American Saddlebred Horse & Breeders Association (ASHBA) is proud to announce the third annual **ASHBA Half American Saddlebred Futurity!** The program is an Open Weanling Futurity for **all 2024 Half-Saddlebred foals!** Nominations are due April 30, 2024, with a single fee of \$150 for the foal only. The sire **or** dam must be a full Saddlebred. Simply register with the [Half Saddlebred Registry](#) by June 30th and compete in the year 2024! The Half Saddlebred Open Weanling Futurity will be held at the American Classic Horse Show in the newly built Show Pavilion at the Indiana State Fairgrounds in Indianapolis in September 2024.

The 2024 program commences with the **Half Saddlebred Expo & Stallion Service Auction** as a part of the stallion presentations at the **Dutch Cross Classic Sale** in Topeka, Indiana. Everyone is invited to join this fun event starting at 8:00 am with a sponsored Hot Breakfast, a morning of talks, demonstrations and discussions, leading to the Stallion Presentation with the Service Fee Auction, and the evening sale on December 8th. This is an opportunity to purchase services to some of the finest stallions offered.

The Half Saddlebred Open Weanling Futurity has its own purse of added money! Stallions of all breeds are invited to donate a breeding service to be auctioned. The proceeds generated will fund the added purse for the same year, 2024! **80% of the purse will be earned by the top 8 weanlings, while 20% of the purse will be reserved for the stallions** that donate their services and have weanlings in the top 8 places. Any part of the stallion's 20% not paid out will roll over to the succeeding year(s) for the participating stallions.

The Saddlebred over the years has been one of the most desired crosses for many breeds such as the Half Arabian, National Show Horse, Friesian Georgian Grande, and most recently, the Dutch Harness Horse, and Roadsters! Now, with the Half Saddlebred Futurity, the crosses are endless. The futurity is open to crosses of all Half Saddlebreds which provides market opportunities **to effectuate growth and participation for all!!**

Sire: CH Yorktown

Dam: Stonewall's Golden Model by Stonewall's Golden Dream

2nd Dam: Molly Stonewall by Golden Stonewall

Comments:

Blythewood Farms is proud of this performance-breeding stallion! The long-awaited and planned breeding of this handsome, gifted stallion is paying off! His sire, CH Yorktown, was World Grand Champion in 1970, 1979, and 1972. One of his first filly foals, Burgoo, was crowned 1991 WC Breeder's Stake Yearling. The pedigree of Harrodsburg is unusual because of the intense Stonewall King bloodline on his distaff side. There is no other living stallion with this breeding. Mare owners seeking stamina, gameness and ability will find it all in Harrodsburg.
