Stallion Service Auction Regulations

Stallion Owner's Obligation

1. The sale of a service fee entitles the mare owner to a service fee for the season of 2025.
2. If the stallion owner sells the stallion before fulfilling the obligations to the mare owner, the stallion owner is responsible for paying the mare owner back the stud fee, with the exception if the obligation transfers to the stallion's new owner with the mare owner's agreement. This should be taken into consideration before selling the service and before selling the stallion.
3. Stallion owner's obligation is fulfilled when the mare is checked "in foal" by veterinarian at the mare owner's expense.
4. Stallion owner is not responsible in case of stallion's death or infertility to fulfill obligation.
5. If selling a service, mare care rates and stud fee must be stated.
6. The sale of the service fee is a donation by the stallion owner to the IHHA.
7. **Starting bid is \$150.00. If bid is not met, stallion owner will be obligated to pay \$150.00 to IHHA for the ad.**

Mare Owner's Obligation

1. The mare owner is required to pay the mare care rates or semen shipping fees as stated by the stallion owner.
