2. If the stallion owner sells the stallion before fulfilling the obligations to the mare owner, the stallion owner is responsible for paying the mare owner back the stud fee, with the exception if the obligation transfers to the stallion's new owner with the mare owner's agreement. This should be taken into consideration before selling the service and before selling the stallion.
3. Stallion owner's obligation is fulfilled when the mare is checked "in foal" by veterinarian at the mare owner's expense.
4. Stallion owner is not responsible in case of stallion's death or infertility to fulfill obligation.
5. If selling a service fee, mare care rates and current stud fee must be stated.
6. The sale of the service fee is a donation by the stallion owner to the IHHA.

Mare Owner's Obligation

1. The mare owner is required to pay the mare care rates or semen shipping fees as stated by the stallion owner.
2. The mare owner is responsible for paying the full bid price to the IHHA.

Good broke mare that has been on the farm for 14 years. She's a good lead mare that's up on the bit. Absolutely a blast to drive and still works like a four-year-old. You name it, she's done it... on the farm, logging, riding, wagon trains, fun days, in the buggy, after dark and more. Sells open as she's not easy to keep in foal.
