ATTENTION:

All horses will need current coggins. (No vet on grounds)

The Sale Committee reserves the right to reject any horse for any reason including but not limited to: unsoundness, poor condition and improper documentation of registration or Coggins papers.

COMMISSION ON HORSES: Commission on horses is \$450 per horse. Buggy Ponies (Over 50”) is \$300 and Mini Ponies (Under 50”) is \$200. There are no substitutes or no sales. There will be a \$250 fee if a consignor does not show up with the horse consigned without a vet slip or reason for not bringing the horse cleared by the committee.

TERMS: Cash, day of sale. All Horses are to be paid for in U.S. Funds. Wiring instructions are available in the office. Credit Cards are accepted with a processing fee. Buyer’s Premium of 4% will be waived with cash or good check day of sale.

CHECK IN: No horse will be allowed on the grounds without current, original Coggins papers. The paperwork must arrive with the horse. All consignors are responsible for their own feed and hay. All horses must have a new halter and lead rope or one will be provided by TLA at the seller’s expense.

REGISTRATIONS: TLA requires that all transfers and registrations for registered horses be in place before the animal goes to the sale ring.

WARRANTIES: Ages, heights, markings and physical conditions are an approximate and are not guaranteed. It is the buyer’s responsibility to examine the horse before bidding. All sales are final. If there is an error in the catalog, the auctioneer or pedigree reader will announce it before a horse is sold. All recommendations and statements from the auction block are recorded and this will take precedence over the printed catalog.

GUARANTEE: Each consignor of this sale will make what guarantees they care to give on their equine and will be totally responsible for what guarantees they make. These guarantees will be announced at the time the animal is placed for sale. No guarantees whatsoever, expressed or implied, are made by the auctioneers, sale committee or Topeka Livestock Auction as to title, quality or soundness of any consignment.

SELLERS RECOMMENDING HORSES: TLA requests that sellers recommend their horses like they would like to buy them- announce all unsoundness on horses.

CHECK OUT: No horse will be allowed to leave without a load out sheet indicating full payment has been received. All owners are responsible for their horses until the hammer falls and full responsibility transfers immediately to the buyer.

LIABILITY: Buyers and spectators are cautioned to take care of themselves while in or near the barns or sale ring. We urge all to keep clear of the sale ring or where the horses are being shown, and upon failure to do so, and resultant injury therefrom, the Topeka Livestock Auction, or any of the members of the committee handling the sale, or consignor, disclaims any liability.
