NEXT STEPS

- Finalizing the Screening and Evaluation Criteria
- Developing Improvement Concepts
The project team has begun to screen and evaluate the improvement concepts. Those concepts have been developed using the above-mentioned milestones that will improve safety and congestion issues, address environmental concerns, and public and agency comments.
- Additional Public and Agency Interaction
 - During the open house the public will evaluate the improvement concepts and most importantly - We want your feedback!
 - The project team is always looking for comments from the public, please visit the [interactive map](#) or the [comment page](#).
 - One-on-One Agency Meetings
- Preparing to Draft the Final Report
