

CORRIDOR VISION & GOALS

VISION STATEMENT:

IMPROVE MINNIE STREET MOBILITY AND CONNECTIVITY WHILE ENHANCING NEIGHBORHOOD LIVABILITY.

THE VISION WILL BE ACHIEVED BY IDENTIFYING INDIVIDUAL PROJECTS FOR CONSTRUCTION THAT WILL ACCOMPLISH THESE GOALS:

1. Improve Non-Motorized Access:

- ✓ Construct enhanced facilities for all users
- ✓ More convenient and comfortable non-motorized connections

3. Improve Connectivity

- ✓ Improve connection to the surrounding transportation network

2. Mitigate Conflicts

- ✓ Reduce left turn and driveway conflicts
- ✓ Ease turning movements in the corridor

4. Neighborhood Livability:

- ✓ Maintain minor arterial function with the look and feel of a neighborhood street
- ✓ Maintain or enhance the historic character and environmental quality of the neighborhood
