

THE ECHOES

April, 2019

Several of our state conventions will be held over the next few weeks. At each one, a Presbyter and Secretary Treasurer, will be elected this year. I would like to ask that each of you begin to pray about those elections before you get to your convention. I would also like to ask you to consider a few things as you pray and vote.

- 1. Does the person attend state and national conventions regularly? Most, it not all, of conventions are held on the same weekend each year, so unless you are new or not engaged you would know what weekend your state holds it's convention. National Convention is always the first full week of August, the dates change but it is the first full week. The point is, does the person being nominated they can not do what they are elect someone to the state the general board. That means conventions and board out if the folks you are voting as many meetings as possible.*
- 2. Am I just voting for my friend? someone because they are not our voting prayerfully, not*
- 3. Do they have a work together it's my way or the highway? way is the Bible Way, friend, the Bible Way. Just saying sometimes there is more than one way to do the Bible Way.*
- 4. Do they have a vision and passion for the success of FGCI? You are voting for leadership of FGCI. The person you are voting on needs to have a passion for what they are leading.*

show up, if they are not there elected to do. When you office, they become part of they should attend national meetings. When voting find on will do their best to attend

Am I voting not voting on in my circle? Again, let's do emotionally. attitude, or is theirs more of, Well, you might say but my we should all be looking at

These are just four of many things you should be thinking about at election time. There are others like, do they attend church faithfully, are they servant minded, being a minister should not have to be a question, but it is in many cases.

Pilippians 3:14 "I press toward the mark of the prize of the high calling of God in Christ Jesus.

*Thanks for reading and thinking about your votes this year.
Rev. Steve Fellers, General Superintendent*
