

THE ECHOES

February, 2019

As I listen to ministry today, I hear the phrase mentioned that “we must move forward”. Literally meaning that we must keep growing. It’s meaning is like the apostle Paul said to reach forth unto those things which are before. (Ph. 3:13) He goes on to say forgetting those things which are behind and reaching forth.... Then verse 14 he says to press toward the mark for the prize of the high calling of God in Christ Jesus.

First this must be preached in Love. So many people are hurting today in our world and our churches. They are looking up to the ministry for their help. We know that sheep need a shepherd. Yes, even ministers need a shepherd. That’s why we all need to be in church serving somewhere. Keep active serving in a church. Keeping active will help you to move forward in your relationship with the Lord. I personally believe that the Love of God shows spiritual maturity. It will give you the right words to say at the right time in the right way. Though I speak with tongues of men and angels, and have not charity, I am become as a sounding brass, or a tinkling cymbal. It goes on to say though I have all faith so that I could remove mountains, and have not charity, I am nothing.

2. Knowledge of Him. So knowledge of God. This is knowledge! No time spent God. Without growing in of the things of God. He

in the old testament it says my people are destroyed for a lack of knowledge. Meaning that will open a way for Satan to get in. II Peter 1:3&4 says we are given precious promises that pertain to life and godliness through the knowledge of him that hath called us to glory and virtue. And then he says to add these graces to our faith. Virtue, knowledge, temperance, patience, godliness, brotherly love and charity. These all come with our growing in the knowledge of Him. What brings this knowledge? His Word. Beloved, Paul says we hold forth the Word of Life. Let’s keep growing in Him.

Brothers and Sisters of FGCI,

Once again it's time to welcome in a new year and say good-bye to another. With this in mind, it is almost renewal time for all our ministers and churches. This will be happening in February.

This year I will be sending out renewals by email. By sending these by email it will be much more cost and time effective and I believe that God wants us to be good stewards of His money and our time.

Now we realize that not everyone has an email account. For those who do not have email, I will still send yours through the mail as usual. Please review the following information and make sure the General Office has your correct information.

1. If you have moved since your last renewal, please make sure you have changed your address with the General Office.
2. Please make sure the General Office has your **correct** and **working** email address. You can email the Office at amyjopatrck44@yahoo.com to make any changes.
3. If you have an email but you would still like to have your renewal mailed to you, you need to notify the General Office ASAP so I can make the appropriate notifications before I send them out.

You can make changes to your account by emailing the Office, by phone, or by text. If you have any questions, please feel free to notify me and I will be glad to help.

Thank you all so much for your support and cooperation. Together we can continue to make Full Gospel Churches International a wonderful fellowship.

In His Service,
