SUMMER LANDSCAPING TIPS

Summer is the time for beautiful lawns and landscapes! Listed below are a few helpful tips to keep everything effective and efficient:

- Service your lawn mower
- Service your sprinklers
- Eliminate sources of standing water
- Trim shrubs or bushes that touch your home's exterior

Summer is also the time of year where weeds grow the fastest. The constant heat and occasional rain cause weeds to grow rapidly, which can be hard to keep up with.

We encourage homeowners to be vigilant of any weeds sprouting in their landscaping and pull them before they get out of control.
