

THE LEGACY PLEDGE

Dylan Astacio's life was taken by someone else's reckless choice behind the wheel - a choice that cannot be undone.

In his memory, we choose **better**.

We drive with purpose, with care, and with respect for every life around us.

No **speeding**. No **distractions**. No **reckless choices**.

This is a promise to protect each other, honor Dylan's legacy, and never take the privilege of driving for granted.

For the friend I never want to lose and the one I never want to be.

Because real friends look out for each other. **Always**.

I PLEDGE TO:

- ☒ Never drive recklessly, race, or speed for the thrill of it.
- ☒ Always wear my seatbelt and make sure my passengers do too.
- ☒ Keep my phone away and drive without distractions.
- ☒ Never drive under the influence of alcohol or drugs.
- ☒ Speak up if someone is driving dangerously.

This pledge is for me and the person who matters most to me: _____.

I choose to be the difference. I choose to Drive4Dylan.
