

LIFESTYLE IN WALL

Lifestyle In Wall
Information Sheet

Product Overview

Videotree's Lifestyle range of in-wall TVs are easy to install and designed to fit fully flush to your wall for an elegant, sleek finish.

With an IP66 protection rating, each Lifestyle television is designed and hand-built right here in England to ensure complete protection against dust and moisture in the assembly process.

Each television maintains a high quality HD LED screen for incredible viewing in any environment and is supplied with a wide range of inputs including HDMI, PC, Component, RGB, RS232 and IR in and out - compatible with all leading home and professional integration systems.
