This Plan applies exclusively to the item(s) indicated on the original bill of sale that is specified to be warrantable and covered under this Plan, and sold in the United States.

Terms:

The Administrator agrees with the purchaser of the product(s) and this Plan (OWNER), to cover manufacturer's defects in materials and workmanship that are the result of normal usage for a period specified on your membership card, subject to a maximum coverage period of five (5) years after the manufacturer warranty has ended for a total of eight (8) years from the date of purchase. The Plan covers eligible products purchased as new and manufactured for use in the United States which at the time of purchase included a Manufacturer's original written warranty valid in the United States providing minimum coverage of ninety (90) days parts and ninety (90) days labor. The Plan begins on the expiry date of the Manufacturer's Warranty and is between ADMINISTRATOR and the OWNER. This Plan pays for parts and labor for functional parts. Functional parts are those component parts that are critical to the performance of the product's essential function. Nonfunctional parts are those parts that are not critical, knobs, handles or cosmetic parts. ADMINISTRATOR will repair or replace the unit or any parts thereof, as required, subject to these terms and conditions. ADMINISTRATOR is not obligated to renew your Plan, however, if renewal coverage is offered, the price quoted will reflect current service costs and the age of the product. For replacement/exchange plans, we will either replace the Covered Product or settle the claim monetarily.
