

# Delivery & Installation Specialist

## at Appliances of Mammoth

### **Position Overview:**

Appliances of Mammoth is seeking a reliable, detail-oriented Delivery & Installation Specialist to support appliance deliveries, in-home installations, and warehouse logistics. This role is critical to ensuring appliances are delivered safely, installed correctly, and that customers receive a professional, positive experience from start to finish.

This position works closely with our sales, service, and operations teams and plays a key role in maintaining our reputation for quality and reliability.

### **Key Responsibilities:**

- Safely load, transport, and deliver major appliances to residential and commercial job sites
- Perform basic appliance installations (ranges, refrigerators, dishwashers, washers, dryers, microwaves, etc.) following manufacturer guidelines
- Prepare delivery sites by measuring access points, protecting floors and walls, and communicating any install challenges in advance
- Unbox, inspect, and stage appliances prior to installation
- Haul away old appliances and dispose of packaging materials properly
- Communicate professionally with customers regarding delivery windows, installation expectations, and care instructions
- Work collaboratively with the sales and service teams to ensure accurate orders and smooth scheduling
- Maintain delivery vehicles, tools, dollies, straps, and protective equipment
- Assist with warehouse organization, inventory handling, and parts staging as needed

### **Qualifications & Skills:**

- Valid driver's license with a clean driving record
- Ability to lift and maneuver heavy appliances (often 75–150+ lbs) safely with a team
- Experience in appliance delivery, moving, construction, or installation preferred (training provided)
- Strong attention to detail and commitment to safety
- Professional appearance and excellent customer service skills
- Ability to work independently and as part of a team
- Comfortable working in varied environments (stairs, snow, tight access points, occupied homes)

### **Schedule & Work Environment:**

- Full-time or part-time availability
- Weekdays with occasional weekends during peak seasons
- Work performed in homes, job sites, warehouses, and outdoor conditions year-round

**Compensation & Benefits:**

- Competitive hourly pay based on experience
- Paid training and ongoing skill development
- Opportunity for advancement into Lead Installer or Technician roles
- Supportive, locally owned team environment
