Preparing all students for a successful life and future.

Hello Fifth Grade Families,

I am excited to announce that beginning September 3rd (weather permitting) the Archery Club will begin, and all fifth-grade students are invited to participate.

We will be using the National Archery in Schools Program and the NASP approved equipment. No prior experience is necessary. Students will be expected to help set up and tear down equipment. Please view the Archery Club Handbook on the school website for additional details.

Archery Club will meet every Thursday from **3:15 - 4:30 PM**. In the event of inclement weather, Archery Club will move indoors and other activities will be provided until 4:30. Students **MUST** be picked up by 4:35.

Archery Club Dates: Sept. 3, 10, 17, 24 / Oct. 1, 8, 15, 29

Another session will be offered in the spring.

Archery is a privilege.

Students earn the right to participate by being safe, respectful, focused, and responsible. Due to the nature of the sport, students who fail to demonstrate safe, respectable, and responsible behavior will be asked to sit out or withdraw from the activity.

Please review the handbook, and turn in the registration form by September 3 (first session) to enroll.

Reach out to Ms. Gustafson if you have any questions.
