Dear Northgate Family:
I am so blessed to be able to call each and every one of you "My Family." I want to thank you all for the phone calls, beautiful cards and letters and most of all for the Prayers that have been lifted up for me recently. I have felt every one that has been laid at Jesus' feet on my behalf. I feel that I seem to have been working you all overtime though. I barely have been able to get through one thing before something else came along. But I do know that we serve a Mighty God and He is in control of all these circumstances and life's many trials. He alone knows what lies ahead. I do know that there is a reason for everything that happens....reasons that we may never fully know but that are ultimately for our good. Thank you for praying that "hedge of protection" around me. I thank each one of you for your love and friendship, I am truly blessed. We are all blessed to have the special bond that Our Church Family shares. It is my prayer that I will be back with you at church Sunday.

In His Love, Diane
