Steven and Cindy Martins

Nearly 90% of the more than 400,000 residents living in Canada's Niagara region have no belief in God. Since planting Sevilla Chapel in 2019, missionaries **Steven and Cindy Martins** have been strategically and intentionally going door-to-door in the city of **Saint Catharines, Ontario**. They've been sharing the gospel, and people are listening.

Brianna McKinney

While there is only one evangelical church for every 32,000 people in **Denver, Colorado**, the ratio of marijuana dispensaries to residents is one for every 2,000. Young professionals and families are moving to Denver from all over the world, but they're struggling to find real community there. But as missionary **Brianna McKinney** serves alongside church plants and compassion ministries in Denver, she's seeing people's lives change through gospel-centered relationships.
