WILL YOU BE READY?

THE MARTYRS' WALK is a live and in-person journey of "virtual" martyrdom that will include extreme fitness, mental, and spiritual exercises & challenges that will push you beyond your perceived abilities. This intensely immersive experience will take you on a three-day journey of prayer, brotherhood, and healing; all in the light of Catholic principles and teachings. We will take a deep dive into what is holding you back from being the man God is calling you to be. You will be pushed to die to self and die to sin so that you may live for Christ.
