

Volunteer Finance, Funding & Partnerships Lead

Location: St Ives, Cambridgeshire (office-based preferred, hybrid considered)

Reporting to: CEO

Role type: Permanent / Fractional / Part-time (to be agreed)

About The Angels Foundation UK

The Angels Foundation UK (TAF) delivers trauma-informed services supporting domestic abuse survivors and their families across Cambridgeshire. Our work combines practical, emotional and preventative support to help people rebuild their lives safely and sustainably.

We are a growing charity with ambitious plans to strengthen financial resilience, diversify income and build long-term sustainability while remaining true to our mission and values.

The Role

This is a **new, senior and high-impact role** with significant scope to grow. The **Finance, Funding & Partnerships Lead** will play a critical part in shaping TAF's financial future, income strategy and commercial partnerships.

This role is ideal for someone who brings **strong finance and commercial expertise**, alongside creativity, confidence and relationship-building skills. You will work closely with the CEO and senior team to develop sustainable income models, secure funding, and build partnerships that support long-term impact.

Key Responsibilities

Finance & Commercial Leadership

- Support oversight of budgets, financial controls and reporting
- Contribute to long-term financial planning, reserves policy and sustainability modelling
- Provide insight into financial risks, opportunities and scenario planning
- Support development of commercial income streams aligned with TAF's values
- Advise on pricing, costing and financial viability of new services and projects

Funding, Bids & Commissioning

- Advise on funding strategy across grants, trusts, foundations and commissioning
- Support development of strong, competitive bids and funding applications
- Provide guidance on financial modelling, costings and budgets for bids
- Help assess funding opportunities, risks and capacity implications

Partnerships & Income Growth

- Support development of strategic partnerships with funders, commissioners and corporate organisations
- Build and leverage strong business networks to create new income opportunities
- Help shape corporate partnerships, sponsorships and commercial collaborations
- Represent TAF confidently in meetings, presentations and networking environments

Strategy, Insight & Risk

- Support the CEO with financial insight to inform strategic decision-making
- Help assess new income streams and growth opportunities from a risk and sustainability perspective
- Contribute to governance, trustee reporting and financial transparency

What We Are Looking For

We are seeking a **passionate, dynamic and commercially minded** individual who believes in the mission and wants to help build a resilient, self-sustaining charity.

Essential

- Strong experience in finance, commercial strategy or income generation
- Experience with funding, bid writing or commissioning environments
- Confidence with financial modelling, budgets and costing
- Strong relationship-building and influencing skills
- Confidence presenting to organisations, funders and partners
- Strategic mindset with a practical, delivery-focused approach

Desirable

- Experience working with or advising charities, social enterprises or public services
- Existing business or corporate networks
- Experience developing sustainable income or trading models
- Understanding of risk management and reserves planning

The Difference You Will Make

This role will be transformational. You will help TAF:

- Move towards long-term financial resilience and sustainability
- Reduce reliance on short-term funding cycles
- Build strong, values-aligned partnerships
- Secure income that allows services to grow and reach more people
- Strengthen confidence and credibility with funders and commissioners

Your work will directly support survivors and families by ensuring the charity is **strong, stable and future-focused**.

Working Style & Growth

- Office-based working in **St Ives** is preferred, with hybrid considered
- This is a **new role with real scope to grow**, shape and evolve
- You will work closely with the CEO and senior team
- Autonomy, trust and ownership are central to this role

Why Join The Angels Foundation UK?

This role suits someone who:

- Wants to apply commercial and financial skills for social impact
- Enjoys building relationships and creating opportunities
- Is confident, persuasive and energised by growth
- Wants to help shape a charity's future, not just maintain the present
