CAREER SUMMARY

I am an award-winning artist with 30 years of experience navigating the intersection of traditional technique + modern concept. My portfolio, ranging from delicate ink, gouache + watercolor to cutting-edge digital work, is rooted in a rigorous background of design + research. **Recognition:** Two-time recipient of the Spiva Center for the Arts' "Best Landscape or Plein Air" award. **Expertise:** Commissions, team management + research. **Current Focus:** I am currently seeking exhibition opportunities for two new cohesive collections: an immersive **Steampunk series** + a high-concept **Cyberpunk series**.
