330ml

Manufactured by

INTERNATIONAL GREENKEEPERS PTY LTD

23 Coreen Avenue Penrith

2750 , NSW Australia

GENERAL INSTRUCTIONS

MIXING AND SPRAYING

Shake the container thoroughly before use. Pour through the filter into the tank three quarters filled with water, whilst agitating. Top up with water and continue to agitate until spraying is completed.

PRECAUTIONS

Avoid application under extremes of climate e.g. Rapid drying conditions, extremely slow drying conditions, frost rain or when frost or rain are anticipated. Black Gold Ale is non-phytotoxic but has the potential to stain walls and porous surfaces. Wash off after spraying

COMPATIBILITY

Liquid potassium silicate is highly alkaline so carry out a jar test to check compatibility if mixing.

STORAGE AND DISPOSAL

Store in the closed original container, in a well-ventilated area as cool as possible. **Black Gold Ale** is completely inert but will absorb moisture over time so keep contents sealed in original container and away from excessively moist environments. Do not burn empty containers or product.

SPILLAGE

Hose small spillage (less than 1 litre of concentrate) away with a large excess of water. Large spillage should not be directed to drains. Large spillage should be absorbed in sawdust or sand and the absorbent material containing the product disposed of in a sealed container at an approved disposal site.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT

Do NOT contaminate streams, rivers or waterways with the chemical or used containers.

SAFETY DIRECTIONS

Harmful if swallowed. When handling appropriate eye and hand protection should be used. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling. Avoid inhaling spray mist.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre Ph: 13 11 26. If in eyes, flush with water for 15 minutes and see a doctor. **DO NOT INDUCE VOMITING.**

EXCLUSION OF WARRANTIES AND LIMITATIONS OF LIABILITY The purchaser acknowledges that no express or implied warranty, condition, description or representation is given or made by International Greenkeepers For Hire (ABN 54371629428) in relation to this product. To the maximum extent permitted by the law, all warranties, terms, conditions and any duty of care which would otherwise be implied or arise by operation of law, statute or use in relation to this product are hereby excluded as against any and all persons, whether purchasers of this product or not. To the maximum extent permitted by law, International Greenkeepers Pty Ltd total liability to any person in connection with this product, whether arising from a breach of any express or implied term, conditioner warranty, any duty of care or otherwise, other than any liability which by these terms or otherwise is excluded shall not exceed the amount paid by the purchaser to the vendor for this product, whether or not such liability results from or involves negligence on the part of International Greenkeepers For Hire.

NOTE: Because International Greenkeepers For Hire has no control over handling, storage or use of Black Gold Ale, the company makes no express or implied representations or warranty (other than non excludable statutory warranties). This product is sold on the condition that the buyer and/or user assumes all risks of the handling, use of Black Gold Ale and results obtained from its use.
