**24-2-4**        **UNAUTHORIZED SIGNS.** No person shall place, maintain or display upon or in view of any street, any unauthorized sign, signal, marking, light, reflector or device which purports to be or is an imitation of or resembles an official traffic-control device or railroad sign or signal, or which attempts to direct the movement of traffic, nor shall any person place, maintain or display upon or in view of any street, any other sign which hides from view or interferes with the movement of traffic or effectiveness of any traffic-control device or any railroad sign or signal, and no person shall place or maintain, nor shall any public authority permit upon any highway, any traffic sign or signal bearing thereon any commercial advertising. No tree, bush or foliage of any kind shall be so placed, maintained, allowed to remain, or be displayed upon either public or private property in such a manner as to hide from view or interfere with the movement of traffic or the effectiveness of any traffic-control device, sign or signal.

It shall be unlawful to maintain or operate any flashing or rotating beacon of light in view of any street or highway.    **(See Chapter 27 and 33) (Also See Chapter 40 - Zoning Code)**

**24-2-7**        **ANIMALS OR BICYCLES.** Any person riding a bicycle or an animal or driving any animal drawing a vehicle upon any street shall be subject to the provisions of this Code applicable to the driver of a vehicle, except those provisions which can have no application to one riding a bicycle or driving or riding an animal. **(See 625 ILCS Sec. 5/11-206)**

**24-2-8**        **LAMPS AND OTHER EQUIPMENT ON BICYCLES.**  
(A)            Every bicycle, when in use at nighttime, shall be equipped with a lamp on the front which shall emit a white light visible from a distance of at least **five hundred feet (500')** to the front and with a red reflector on the rear of a type approved by the Department which shall be visible from all distances of **one hundred feet (100')** to **six hundred feet (600')** to the rear when directly in front of lawful lower beams of headlights on a motor vehicle. A lamp emitting a red light visible from a distance of **five hundred feet (500')** to the rear may be used in addition to the red reflector.

(B) A bicycle shall not be equipped with, nor shall any person use any siren upon a bicycle.

(C) Every bicycle shall be equipped with a brake which will adequately control movement of and stop and hold such bicycle.

(D) No person shall sell a new bicycle or pedal for use on a bicycle that is not equipped with a reflex reflector or conforming to specifications prescribed by the State on each pedal, visible from the front and rear of the bicycle during darkness from a distance of **two hundred feet (200')**.

(E) No person shall sell or offer for sale a new bicycle that is not equipped with side reflectors. Such reflectors shall be visible from each side of the bicycle from a distance of **five hundred feet (500')** and shall be essentially colorless or red to the rear of the center of the bicycle and essentially colorless or amber to the front of the center of the bicycle provided. The requirements of this paragraph may be met by reflective materials which shall be at least **three-sixteenths of an inch (3/16th")** wide on each side of each tire or rim to indicate as clearly as possible the continuous circular shape and size of the tires or rims of such bicycle and which reflective materials may be of the same color on both the front and rear tire or rim. Such reflectors shall conform to specifications prescribed by the State.

(F) No person shall sell or offer for sale a new bicycle that is not equipped with an essentially colorless front-facing reflector.

(G) Any person charged with a violation of this section shall pay a fine of **One Dollar (\$1.00)** for the first offense and for a similar charge during the same year a fine of **Five Dollars (\$5.00)**. (See 625 ILCS Sec. 5/11-1507)

**ARTICLE III - STOP AND THROUGH STREETS**

**24-3-1**      **THROUGH STREETS.** The streets and parts of streets of the Village designated by ordinance as "through streets" are hereby declared to be through streets. The driver of a vehicle shall stop at the entrance to a through street and shall yield the right-of-way to other vehicles which have entered the intersection or which are approaching so close on a through street as to constitute an immediate hazard unless directed otherwise by the traffic officer. See **Schedule "A"** for applicable through and stop streets.

**24-3-2**      **ONE-WAY STREETS OR ALLEYS.** It shall be unlawful to operate any vehicle on any streets or alleys designated as one-way streets or alleys by ordinance in any direction other than that so designated. See **Schedule "B"** for the designated one-way streets and alleys. **(See 625 ILCS Sec. 5/11-208)**

**24-3-3**      **STOP STREETS.** The driver of a vehicle shall stop in obedience to a stop sign at an intersection where a stop sign is erected pursuant to ordinance at one or more entrances thereto and shall proceed cautiously, yielding to the vehicles not so obliged to stop which are within the intersection or approaching so close as to constitute an immediate hazard, unless traffic at such intersection is controlled by a police officer on duty, in which event, the directions of the police officer shall be complied with. See **Schedule "A"** for designated stop intersections. **(See 625 ILCS Sec. 5/11-302)**

**24-3-4**      **YIELD RIGHT-OF-WAY STREETS.** The driver of a vehicle approaching a yield sign, in obedience to such sign, shall slow down to a speed reasonable for the existing conditions and if required for safety to stop, shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection or if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway. After slowing or stopping, the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection. **(See Schedule "C")**

**24-3-5**      **POSTING SIGNS.** Appropriate signs shall be posted to show all through, stop and yield right-of-way streets, all one-way streets and alleys and all stop intersections. **(See 625 ILCS Sec. 5/11-304)**

ARTICLE IV - DRIVING RULES

**24-4-1**      **ILLINOIS VEHICLE CODE; RULES OF THE ROAD ADOPTED.** The Illinois Vehicle Code, **Illinois Compiled Statutes, Chapter 625, Section 11**, entitled "**Rules of the Road**", as passed, approved and amended by the Illinois General Assembly is hereby adopted by the Village and the provisions thereof shall be controlling within the corporate limits of the Village except for the following changes, deletions and omissions:

(A)            **Omissions:**

- (1)          Omit Sections 11-207, 11-208.1, 11-208.2, 11-209.1, 11-302, 11-303, 11-310(f), 11-313, 11-401 to and including 11-416, 11-500 to and including 11-502, 11-602, 11-603, 11-604, 11-606(b), 11-608, 11-1419, and 11-1422.

(B)            **Changes and Additions:**

- (1)          Change 11-904(a) to read: "Preferential right-of-way at an intersection may be indicated by stop or yield signs as authorized by this Code."
- (2)          Change 11-1416(a) to read: "Any person who shall willfully and unnecessarily attempt to delay, hinder or obstruct any other person in lawfully driving and traveling upon or along any highway within this State or who shall offer for barter or sale, merchandise on said highway so as to interfere with the effective movement of traffic shall, upon conviction, be guilty of a violation of this Code."

**24-4-2**      **DRIVING RULES.**

(A)            **Careless Driving.** It shall be unlawful to operate a vehicle in the Village in a careless manner so as to interfere with the safe or lawful operation of any other vehicle or so as to interfere with or to injure, damage, or endanger persons or property engaged in the lawful use of the street.

(B)            **Drag Racing Unlawful.** No person shall be a participant in drag racing as defined in **Section 5/11-504 of the Illinois Compiled Statutes.**

(C)            **Fleeing or Attempting to Elude Police Officer.** Any driver or operator of a motor vehicle who, having been given a visual or audible signal by a police officer directing such driver or operator to bring his vehicle to a stop, willfully fails to or refuses to obey such direction, increases his speed, extinguishes his lights or otherwise flees or attempts to elude the officer is guilty of a violation of this Chapter. The signal given by the police officer may be by hand, voice, siren, red or blue light. Provided, however, the officer giving such signal shall be in police uniform and if driving a vehicle, such vehicle shall be marked showing it to be an official police vehicle.

(D) **Unlawful Possession of Highway Sign or Marker.** The Department of Local Authorities with reference to traffic-control signals, signs or markers owned by the Department of Local Authorities are authorized to indicate the ownership of such signs, signals or markers on the back of such devices in letters not less than **three-eighths of an inch (3/8")** or more than **three-fourths of an inch (3/4")** in height, by use of a metal stamp, etching or other permanent means and except for employees of the Department of Local Authorities, police officers, contractors and their employees engaged in highway construction, contract or work on the highway approved by the Department of Local Authorities, it is a violation of this Chapter for any person to possess such sign, signal or marker so identified. **(See 625 ILCS Sec. 5/11-313)**

(E) **Special Speed Limitations on Elevated Structures.** No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure when such structure is sign-posted.

Upon the trial of any person charged with the violation of this section, proof of the determination of the maximum speed by the Village and the existence of such signs is conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. **(See 625 ILCS Sec. 5/11-608)**

(F) **General Speed Restrictions.** The speed limits on the various streets shall be approved by the Village Board, but shall not exceed **twenty miles per hour (20 MPH)** in a school zone and not to exceed **twenty-five miles per hour (25 MPH)** on a residential street and **thirty-five miles per hour (35 MPH)** on Berlin Road north of Old Route 36; otherwise, **thirty miles per hour (30 MPH)** on an arterial street unless otherwise posted. **(See Schedule "D") (See 625 ILCS Sec. 5/11-604) (Ord. No. 08-14; 09-17-08)**

(G) **Special Speed Limit While Passing Schools.** No person shall drive a motor vehicle at a speed in excess of **twenty miles per hour (20 MPH)** while passing a school zone or while traveling upon any public thoroughfare on or across which children pass going to and from school during school days when school children are present.

This section shall not be applicable unless appropriate signs are posted upon streets and maintained by the Village or State wherein the school zone is located. **(See 625 ILCS Sec. 5/11-605)**

(H) **Failure to Reduce Speed.** A vehicle shall be driven upon the streets and alleys of this Village at a speed which is reasonable and proper with regard to traffic conditions and the use of the street or alley. The fact that the vehicle does not exceed the applicable maximum speed limit does not relieve the driver of the duty to decrease speed when approaching and crossing an intersection or when special hazard exists with respect to pedestrian or other traffic or by reason of weather or highway conditions. Speed must be decreased as may be necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.

(I) **Traffic Lane Usage.** Whenever any roadway within the Village has been divided into **two (2)** or more clearly marked lanes for traffic, a vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

(J) **U-Turns Prohibited.** No driver of a vehicle shall make a "U-turn" on any street or at any intersection of any streets in the Village.

**24-4-3**        **DUTY TO REPORT ACCIDENT.** The driver of a vehicle which is in any manner involved in an accident within the Village shall, without unnecessary delay, notify the Police Department and shall make a report of such action. Failure to report an accident within the Village within **twenty-four (24) hours** shall result in arrests of the person or persons involved. **(See 625 ILCS Sec. 5/11-415)**

**24-4-4**        **TRANSPORTING LIQUOR IN VEHICLES.** No person shall transport, carry, possess or have any alcoholic liquor within the passenger area of any motor vehicle in this Village except in the original container and with the seal unbroken. **(See 625 ILCS Sec. 5/11-502)**

**24-4-5**        **EXCESSIVE NOISE - STOPPED VEHICLE.** No operator of a motor vehicle shall, when the motor vehicle is stopped, unreasonably accelerate the engine thereof with the gears of the vehicle in neutral, thereby causing an unreasonably loud or excessive noise.

**24-4-6**        **EXCESSIVE NOISE - WHEELS.** No operator of a motor vehicle shall when the motor vehicle is stopped, accelerate the engine with the gears of such vehicle in neutral and while so accelerating the engine, shift the gears of the vehicle into a forward or reverse movement, thereby causing an unreasonably loud noise with the drive wheels of the vehicle.

**24-4-7**        **EXCESSIVE NOISE - SQUEALING TIRES.** No operator of a motor vehicle shall cause the wheels of such vehicle to spin violently, thereby causing an unreasonably loud or excessive noise. **(See 625 ILCS Sec. 5/11-505)**

**24-4-8**        **RECKLESS, NEGLIGENT OR CARELESS DRIVING.** It shall be unlawful to operate any vehicle in the Village in a careless, reckless, negligent or wanton manner, or carelessly so as to endanger life or property.

**24-4-9**        **EXCESSIVE NOISE WHILE DRIVING.** No operator of a motor vehicle shall, when operating the vehicle, accelerate the vehicle or rapidly stop the vehicle causing an unreasonably loud noise.
