Pursuant to 5 ILCS 120/7, the Village President has determined that an in-person meeting is not practical or prudent and that attendance at the regular meeting location is not feasible based upon the concerns identified in the most recent Gubernatorial Disaster Proclamation in response to the ongoing coronavirus (COVID-19) situation and the requirements contained in the Executive Orders related to that Proclamation. For these reasons, members of the public wishing to attend the meeting should utilize the alternative arrangement to listen by telephone or web-based link identified at the top of this agenda
